April 8, 2025

Dear GMS Abutters/Neighbors,

On behalf of the School Building Committee and the broader school community, I want to express my deep gratitude for your support for and engagement with the Galvin Middle School project. It was a terrific moment to see the town vote 74 percent in favor of the proposal last December.

We are now in the Detailed Design Phase, and are preparing to begin some site work over April vacation (April 21-25), with the larger scale enabling work kicking off this summer.

In order to keep you informed, we want to welcome you back to another School Building Committee (SBC) meeting and a GMS Abutters/Neighbors meeting on Wednesday, April 16, 2025 in the GMS library.

The SBC meeting starts at 5 p.m. If you attend, you will have an opportunity to see a virtual walkthrough of the building. It's really amazing. At or around 6 p.m., we are going to close the SBC meeting and shift to the GMS Abutters/Neighbors meeting so we can talk further, engage in conversation, and answer your questions.

We hope you can make it! If you cannot attend and you have questions, you can always connect with me on email (foland@cantonma.org) or call my office at (781) 821-5060 ext. 1134.

We appreciate your support and partnership.

Sincerely,

Derek Folan
Superintendent
